

Welcome to TTT Horse Trials 2008

Please find attached competitors times for you to circulate to your members. Note that anyone who provided an envelope can collect it at the Card Secretary's office.

Just in case you have not been told, TTTHT 2008 is the biggest horse trials ever to be held in Australia, with over 475 entries at closing date. Of course you can appreciate that dealing with such a lot of people & horses is going to take some patience. Times are very tight & any delays will be crucial with the lack of daylight hours. Please keep to your allotted times and try to keep all rings moving. Be prepared, especially if you are late in your section, to ride a bit early to allow for scratchings. The Level 4 riders will be riding Cross Country on Saturday.

We suggest that you book stables with Werribee Park quickly if you require one, the yards will be on a first come first serve basis. Dinner on the Saturday night will be in the main indoor arena, and with 150 booked for this, it should be very big. Dinner tickets will not be available on the day, so if you still want to book in for the dinner & trivia night, please contact Stacey Dixon immediately to arrange as catering numbers are now being finalised.

The office will be open from 4.00pm until about 6.30pm on the Friday, then from 7.00am on Saturday. Cards will be available at the end of sections being posted.

A reminder to all riders – please ensure that you have a valid membership card, a fully completed horse trials card & dressage card when you present to the card secretary's office. Please ensure that your team helpers fulfil their duties at their allotted times. All cross country judges will be briefed one hour before the start time of their jobs, please ensure everyone is in place on the cross country to prevent any delays with starting. Judges are able to drive onto the course and park their cars, but the cars cannot leave whilst there are riders on the course. Team helper duties will be distributed next week.

Any scratchings or enquiries to Stacey Dixon on 0418 994847, team helper enquiries to Deb Elliott 0417 300200

Regards - and remember to have fun
